*Notification No.* 6718, *dated* 4—*5th September* 1939.

The following scheme regarding Fellowships in the University of Mysore is notified for information:—

1. The Fellowships may be awarded by the University Council to selected graduates of the University to enable them to pursue courses of original investigation or research in their special subjects.

2. The Fellowships shall be awarded to persons who have given evidence of capacity to do research work; junior members on the staff of the University will also be eligible for selection.

3. The value of each fellowship shall be Rs. 100 and may be increased to an amount not exceeding Rs. 150, if found necessary, in the case of junior members of the staff selected.

4. Each Fellowship shall be tenable for three years, of which the first year will be a period of probation. A candidate selected for the award shall execute an agreement undertaking to work for the full period of three years if found satisfactory during the period of probation. In case of discontinuance before the expiry of the period he shall be liable to refund all the amount drawn by him.

5 The total number of Fellowships shall *not ordinarily* exceed three at any time.

6. A candidate who wishes to apply for a Fellowship should, before submitting his application, consult the professor concerned as to the subject in which he intends to carry on research work and submit his application through the Principal of the College together with evidence showing capacity to do research.

7. With the application, a candidate should give an undertaking that he will devote his whole time to research work and that he has no intension of preparing for any examination.

8. The award of Fellowships shall be made by the University Council on the recommendation of the College Councils.

9. Each selected candidate shall be placed under a professor who will supervise his work.

10. Each candidate shall submit a half-yearly progress report with the opinion of the professor concerned.

11. The Fellowship shall ordinarily commence on the 1st August and the half-yearly reports shall be in respect of the six months ending on the 31st January and 31st July each year.

12 The Fellowship shall be liable to be terminated at any time for unsatisfactory work or conduct.

13. The papers or theses prepared by candidates holding Fellowships will be the property of the University and may be published only by permission of, and in such manner as may be determined, by the University.

14. Candidates selected for the Fellowships may be required to give a course of lectures in their subjects for the benefit of students of the University.

15. The University Council may permit a student holding a Fellowship to apply for an appointment in the University during the period of contract and, if he is selected for appointment, may permit him to continue his research under conditions to be specified.

16. A breach of any of the conditions of grant will entail refund of the value of Fellowship so far drawn and cessation of any appointment given and operate also as a bar for any appointment in the University in future.

By Order,

V. GOPALASWAMI AIENGAR,
*Registrar*.
